

ATV / Quad Adventure Tours in Rio Celeste Region (Near Tenorio Volcano)

There's nothing like exploring the Rio Celeste and Tenorio Volcano regions with their exotic and unique rain forest on an ATV / Quad. It's even better when you're with an experienced local guide. There's nothing like excitement & views of the Rio Celeste and Tenorio Volcano region.

So don't miss your chance to discover it the right way... with us!

We have 2 adventure tours riding a 2022 520cc Honda ATV. Our half day tour from 2 to 2.5 hours and full day tours from 4 to 4.5 hours.

2 – 2.5 Hours (Approximate)

You and up to 4 fellow adventures can join us on a private 2 to 2 1/2-hour adventure through local farms, lush forest and unique streets within our beautiful village of Rio Celeste and the surrounding Volcano Tenorio region.

Our exciting trails take you on a tour in the middle of local farms, exotic rain forest within the Rio Celeste region, along with a brief stop at a riverside restaurant. During your first encounter, you will experience an exotic pineapple plantation. During this visit, you and your adventures will observe how this delicious fruit is grown within our beautiful community. Our next exciting ATV experience will be crossing two flowing rivers. Our local guide will escort you across both of these rivers, providing a fun filled experience.

After experiencing these adventures, we will stop at a welcoming local family-owned riverside restaurant. During our visit, you will be able to purchase a quick snack & enjoy local beverages & walk down to a quick flowing rapid's river.

**Guest paid snack & beverage is optional at the local restaurant

4 – 4.5 Hours (Approximate)

Our exciting trails will take you to the middle of a local pineapple plantation, family farms, exotic rain forest and mountainous terrains within the Rio Celeste region. Your adventure will also include visiting the celestial blue waters of Rio Celeste. Approximately half way through your tour, your guide will escort you to a local family-owned restaurant where you will enjoy a wonderful Costa Rican lunch.

During the first part of your adventure, you will experience the sites of an exotic pineapple plantation. While visiting the pineapple plantation, you and your adventurers will observe how this delicious sweet fruit is grown within our beautiful community.

The next exciting ATV experience will be to cross two flowing rivers. Your local guide will escort you across both of these unique rivers, providing a fun filled experience.

After experiencing your river crossing, we will stop at a welcoming local family-owned riverside restaurant. During our visit, you will be able to purchase a quick snack & enjoy local beverages and view a quick flowing rapids river.

Our next adventurous stop will be to visit Rio Celeste with its celestial hue. During this visit, you & your fellow adventurers can swim and relax inside this river's pristine light blue waters. While during your walk back from the Rio Celeste, you see beautiful views of this lush Costa Rican region with the awesome site of Volcano Tenorio.

Upon the completion of your eco walk, you will drive your ATV to another family-owned restaurant for lunch. Lunch will include your choice of a typical Costa Rican pork, fish, beef dish or vegetarian plate, salad, desert and a non-alcohol beverage.

We'd love to escort you on a once in a lifetime adventure that you'll never forget!
